

# The Order of the Furison of Caid

## HERALD:

Many pursue knowledge and skill, discovering it in heavy tomes or through hard experience. Yet insight which is gained and not shared is lost, and the world is made darker for it. Those who advance from student to mentor, sharing with skill and passion that which they have learned, ensure that the flame of knowledge never dims.

Thus was created the Order of the Furison of Caid to recognize those within Our realm who have excelled in teaching, for the sharing of knowledge is worthy of great honor. For just as the furison is used to make sparks to create fire, so have these scholars kindled the flame of knowledge in others, and in so doing have spread light throughout the kingdom.

Now therefore do We, *K.* and *Q.*, King and Queen of Caid summon *N.* to present themselves before this court.

Promissory: *N.*, whereas you have freely and skillfully shared your knowledge with Our subjects, and kindled in them the same passion for knowledge that you exemplify, we are pleased to admit you to the Order of the Furison of Caid. By Our hand this (n)th day of (month), Anno Societatis (year). *K.*, Rex Caidis, *Q.*, Regina Caidis
