From Crescent:

- Stephania von Graz has accepted a prestigious out-of-kingdom job. Our loss is An Tir's gain, and we wish her well. Her departure leaves a vacancy in the College – we are now accepting applications for College Exchequer. If you have questions about what is required please talk to Crescent or Dolphin.

From Dolphin:

- Please provide all of the information requested for the summaries including legal name, e-mail address, territory, and how the submission is being paid for (if payment is required). This information is used in preparing for the meeting and will save much time and trouble the day of the meeting.
- Standard meeting information: The house will open at 9AM. There will be a class from 9:30 to 10:30 (ish). The meeting will start at 11AM with lunch at 12:15 (give or take 15 minutes). The house will close at 6PM. If the meeting finishes before that, and it should, there are three options: head home, use the pool and/or spa (swim at your own risk), or join a commenting group. We will be commenting on submissions at the kingdom level (in other kingdoms) or at the Society level (in OSCAR).
- Great Western War is coming. If you can spare an hour or two to help at the consult table, please contact Selene.
- The class next month will be FIXME.

September Submissions

Ciothruadh Dubh. Resub Kingdom Badge. (*Fieldless*) *In bend sinister a raven sustaining a spear bendwise sable*

The submitter's name was registered January 2011. Her previous submission, (*Fieldless*) *A raven close sustaining a spear bendwise sable*, was returned by Dolphin at the July CoH meeting for a redraw because the raven was fesswise (per precedent, v. Lorccan na Tuaithe, 05/2008).

Badge approved and forwarded to Laurel.

Levi ben Daniel. Resub Laurel Device. *Per pale sable and azure, a duck displayed guardant argent within an orle of ducks naiant Or.*

The submitter's name was registered November 2010. His first submission, *Per pale sable and azure, a double headed goose displayed within an orle of ducks naiant Or*, was returned on the same LoAR for "sword and dagger" with no difference being granted between a goose and a duck. T. His latest submission, *Per pale sable and azure a duck displayed argent within an orle of ducks naiant Or*, was returned by Dolphin at the July 2011 CoH meeting for recoloring because those present at the meeting were unable to distinguish the sable and azure.

The use of any bird other than an eagle in a displayed posture is a step from period practice.

Device approved and forwarded to Laurel.

Veren Aske. Resub Laurel Name.

The submitter is does not care about the gender of the name and allows all changes. If the name must be changed she cares most about the (unspecified) sound. Her previous submission, Veronica Bloodaxe, was returned on the Feb. 2010 LoAR

German/English is registerable as a step from period practice (v. Lillian von Wolfsberg, 11/2001). The submitter would prefer the spelling Aski if it can be found.

We could find no documentation for Aski. We are changing the forms to Aske and requesting assistance from the College of Arms to document the preferred spelling.

Name approved as modified and forwarded to Laurel.
